## Help us Purchasing a Land

Recently, OIH is under rent in Haiti, the place has become too crowded; we have more than six children per room. We are doing a fundraising to purchase 5 acres of land in Bombardopolis, Haiti to build two orphanages: one for the boys and one for the girls, a school, a clinic, a playground, and a vocational center. The rest of land will be used to equip and train our children for agricultural works so that they can plant crops and cultivate the land to produce natural food to eat.

This seems to be a wonderful land and we have already foreseen on it OIH's center: home for the homeless, hopeless and helpless orphans in Haiti. The land has been offered to us since September and its owner gives us until the month of **December** to pay in full for the land. Purchasing this land is very competitive because it seems that other organizations are trying to purchase it as well. We don't want to loose it and we know that by God's grace with your help we can purchase that land in Jesus' name.

The estimated cost for the 5 acres of land that is to your right inside is **US \$12,500**. So far we have raised **\$723.73**.

We urgently need your help to make a difference in the life of a little one. If you know someone who can donate to this cause please let him/her know. If you can help us collecting fund or do fundraising please do so. If you are a regular sponsor/donor, you can still make an additional contribution toward purchasing the land on your next monthly/quarterly/semi-annually/annually payment.

Whatever amount you give will indeed make a tremendous impact for eternity in the life of your sponsored child and other thousand of orphans and abandoned children who don't have a place of rest, satisfaction and security.

Therefore the OIH board of directors thanks you in advance for contributing to that cause for the Lord. Remember we have by December to collect the fund and to purchase the land.

**All donations and contributions are Tax Deductible as provided by law**

Thank you !

### OIH Prayer Chain

October 28, 2006 was OIH day of prayer. The entire day was dedicated to pray for each individual who has submitted their prayer request and most importantly for our children in Bombardopolis, Haiti and all orphans that we are not able to reach. A special request was made as well for the purchasing of the land in Haiti to build our own orphanages there. We also lifted up before our heavenly Father each sponsor, donor, pastor and most of all each destitute orphan child around the world. We believe as the song says that earth has no sorrow that heaven cannot heal. Thus, whatever burden, sickness, difficulty or problem that you may have, please let us know, we are willing to pray for you.

Write your prayer request and send it to us today or call us at (800) 704-7611.

### **Pray for our kids in Haiti**

Haiti is facing high political violence, crimes and kidnappings. Most everyone agrees that the situation is getting worse day after day especially in the capital, Port-au-Prince, Haiti. "Almost no one has been spared" says,

the Haitian Times News, "missionaries, employees of foreign embassies and Haitians both rich and poor have fallen victim to the trend that has given Haiti the highest kidnapping rate in the Americas." Hearing and seeing this political turmoil that Haiti is facing has put our December mission trip in great dilemma. Most American "Haiti Missions" have cancelled their mission trips until Haiti is experiencing peace and security. Please pray for our kids and mission directors as they live in severe stress day after day. Every time a crime happens around them, they are being scared and thinking that they could be next. **Get the latest news about Haiti at: [www.Haitiantimes.com](http://www.Haitiantimes.com)**
