225 Love Parcels were Collected

PRAYER CORNER

The Orphans' International Helpline staff would like to thank and pay its sincere gratitude to all churches, organizations, sponsors, and individual donors who immediately responded to our *Love Parcel* program by either donating their packages; money to purchase several love parcel items for the children.

Drew Evans and his wife were happily donating their *Love Parcels*

By God's grace this year we have collected approximately 225 *Love Parcels*. These *Love Parcels* are being shipped to the orphans and abandoned children living in Bombardopolis, Haiti. These children are so special to us; they love each time they see our truck coming in with *Love Parcels*. Each *Love Parcel* brings joy, peace, happiness and hope to a dying and hopeless child in Haiti. The children are happy because they see that there is someone out there who really cares for them.

Love Parcels are delivered only once a year because it takes time to collect and ship them to Bombardopolis, Haiti. For those who did not get a chance to participate this year, you can still send a wonderful *Love Parcel* next year for the orphans and abandoned children in Bombardopolis, Haiti.

April 29, 2006 was OIH day of prayer. This national day of prayer and fasting is a way to lift up before our heavenly father each sponsor, donor, pastor and most of all each destitute orphan child around the world. The entire day was dedicated to pray for each individual who has submitted their prayer request and most importantly for our sick child, Alexandre who has been diagnosed with leukemia. We know that with men, it is impossible but with God all things are possible (Mark 10:27).

God himself promises us security, good health and prosperity by saying, "I know the plans that I have for you, plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call upon me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart" (Jeremiah 29: 11).

We, at OIH, believe that prayer is seeking God's presence in our lives. The Bible says whatever we ask in prayer, believe that we have received it, and it will be ours (Mark 11:24). Thus, whatever burden, sickness, difficulty or problem that you may have, please let us know, we are willing to pray for you. So don't you want to start sending your prayer request today? If so, mail or e-mail your prayer request or call 1-800-704-7611.

Remember Little Alexandre

For those who do not know, Alexandre Bernard is a 16 year old young Haitian boy who has been diagnosed with leukemia at the General Hospital in Port-au-Prince, Haiti. Little Alexandre needs your help such as financial supports, words of encouragements and prayers at such a crucial time as this in his life. Alexandre is not a sponsored child. We are trying our best to find a sponsor for Alexandre in order to provide proper care for him. So we desperately need your help to find sponsors, donors, medical supplies or whatever you may give to donate to this cause, the Lord will bless you. Moreover, OIH believes in the power of prayer. Church pastors, church leaders, chaplains, deacons, community service leaders, nurses, doctors, as well anyone else please help us save the life of this sick child who needs your help for such a time as this. Contact us by phone at 1-800-704-7611 or email us at: info@oihonline.org.

Haiti needs you more than ever!

Traveling to Haiti is an experience that everyone especially those who sponsor a child should experience. If God is putting on your heart the desire to go on a short term mission trip to Haiti in **December 2006**, please call us at 1-800-704-7611. It's a blessing that you will not understand until you see for yourself. God will use others, but why not let him use you?

Donate a Truck to OIH

Delivering *Love Parcels* and distributing food to hunger children have always been an uphill battle for OIH's little budget. We don't have a truck in Haiti. The cost for renting a truck is US\$500.00 one way from Port-au-Prince, the capital to Bombardopolis, Haiti where most of the dying children are. We think that by having a truck donated to OIH, it would save us from that traveling expense so that more money could go towards directly benefiting the children such as our educational expenses which are very high this year. If the Lord has touched your heart or if you know someone, a company or a church who would like to donate a truck to a charity non-profit organization, please let us know we are urgently in need of a good Samaritan to donate a truck to OIH. This truck will be able to facilitate our traveling, delivering, and distributing materials especially love parcels to hundreds of children in the most neglected areas in Bombardopolis, Haiti.

Note: Gifts in kindness are tax deductible
