Haiti needs you more than ever!

The Orphans International Helpline will conduct a Health Fair mission trip to Bombardopolis, Haiti from the 20th to 27th of December 2007. We will spend Christmas season with our children. We are in great need of nurses, dentists, doctors, physicians or any related health field professional to go with us in Haiti. If you have any experience in conducting Health Fair or if you just want to help please come and save a life. The door is open to everyone; you can do something for the Lord during this Christmas season. If you sponsor a child, it will also be a great opportunity for you to see the child that you are sponsoring. Please call us ASAP to make your reservation. The time is short!

Sending your Love Parcel Today

The Orphans' International Board of directors would like to thank each individual, sponsors and donors who have largely donated and/or sent their *Love Parcels* in our storehouse in Margate, Florida. If you have not shipped your *Love Parcels* yet, or if you are still thinking of sending one, please do so **ASAP**.

You don't have time?

We can make one for you. We have a group of Volunteers who would be happy to put one or one hundred parcels together for you. All you need to do is send in a monetary donation of \$25 and we will prepare a special one for you!

Haiti needs you more than ever!

Traveling to Haiti is something that everyone especially those who sponsor a child should experience. If God is putting on your heart the desire to go on a short term mission trip to Haiti in December 2007, please call us at 1-800-704-7611. It's a blessing that you will not understand until you see for yourself. God will use others, but why not let him use you?

Love Parcel Instructions

- 1.) Follow the guidelines of things to pack inside.
- 2.) Lay a large towel out flat. Place the items in the middle of the towel and then fold the towel up to hold the items inside. Pin the towel in a blue plastic Wal-Mart bag.

- 3.) **Fill out a love Parcel envelope and enclose a check for \$5.00 for each parcel packed. Place the envelope inside a plastic bag. Please remember that EVERY PARCEL must have an envelope.**

For more than one parcel, photocopy the envelope and place a copy in each bag. One check may then be placed in the main envelope for the entire number of parcels prepared. If you are sending several parcels, one check for each parcel shipped will do (10 parcels x \$5 = \$ 50 check). The \$5.00 covers all shipping cost from our warehouse in Haiti.

The shipping fee must be included for all parcels sent or your parcel cannot be sent to the mission in Haiti. Make your check payable to OIH.

- 4.) Ship the parcel via UPS or U.S. Mail to:
**4995 SW 8TH ST
MARGATE, FL 33068**

- 5.) **Parcels must be in Margate, Florida by November 1, 2007 in order to ship to Haiti.**
