Blessing from above

OIH envisions to build an orphanage that will have two wings -one for boys and one for girls. We rent a center in Bombardopolis, Haiti where we take great care of some destitute orphans and street children. This place does not belong to us and it has become too crowded. We have more than six children per room and it is not healthy for them to live in that situation. The future orphanage will hold 32 rooms to hold 128 children with 4 children per room.

Therefore we are asking for individual donors, churches, constructors and/or construction companies to help us make that dream comes true to create a place of rest, security and satisfaction for the children of Haiti.

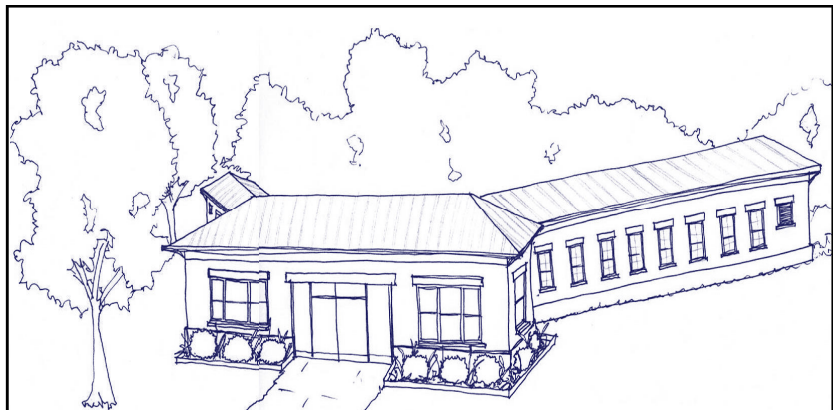

We are in Bombardopolis is one of the poorest city in Haiti

Orphans International Helpline has been a blessing to many orphans and abandoned children in Bombardopolis, Haiti. The children in living in our orphanage are receiving three hot nutritious meal daily, free education and shelter.

We would like to thank each sponsor who make sacrifice just to help a little one. The kids are happy, rejoicing and praising God daily for making away for them out of poverty and living conditions in the street.

Thus, your effort of sponsoring a child or telling someone about sponsoring a child is blessing not from you, it is a blessing from above through you.
