Haiti Mission Trip

Have you ever thought of going on a mission trip but don't know how? Well, we would love to help you. *Orphans International Helpline* (OIH) is now scheduling a short term mission trip to Haiti this December. But why Haiti?

Haiti, a small island nestled in the warm Caribbean water, is just 700 miles away from the coast of Florida. This is a country where food is so scarce and disease among children are so ramped that one fourth of Haitian children die before they reach the age of five. Haiti is a land where rainfall is in sort short supply that even the rocks laying in the dust seem to cry out for a few drop of cool water.

The majority of the population does not have ready access to safe drinking water, adequate medical care, or sufficient food. This is a land with few natural resources but fills with mountains and valleys that are so very rugged that even travel to some parts is almost impossible. However, this is a land where the luxury of a clean glass of water, free of peroxide and germs, is a blessing that most of Haiti's children have never tasted. Therefore, Haiti needs you more than ever.

This year *Orphans International Helpline* will conduct a *They're waiting for you Health Fare* short-term mission trip December 21-27, 2007 in Bombardopolis, one of the most neglected, abandoned and poorest cities of Haiti. It will be a great opportunity for each sponsor to see the beautiful child that he/she sponsors as well as ministering to the health condition of each child living in Bombardopolis, Haiti.

Pastors, youth leaders, school teachers, medical doctors, physicians, nurses and any other health related professionals come and work with the Haitian children. Perhaps the Lord would like you to take a short term mission trip to change the life of a little one in Haiti. If you are interested please email us at info@oihonline.org or call us at 1-800-704-7611. **The Deadline is October 15, 2007.**

Letter of Thanks

We would like to thank and pay our sincere gratitude to all churches, organizations, sponsors, and individual donors who immediately responded to our appeal and generously donated toward our works with the orphans around the world. In this time, there may not be rewards for what you gave and you may never see the smiles of the children that you save, but there is one who is watching and keeps record of all you do. Therefore, if you can give hand to someone that is in need, your life shall not be in vain, although they can not repay you but you will be repaid and blessed by our heavenly Father. May God bless you! *OIH Team*
