Help a Child go to School is a Blessing

On behalf of each sponsored child, OIH thanks and praises the Lord for all of our heart-giving, faithful sponsors who generously giving their monthly \$20 contribution toward the benefit of these children. The summer is over. All children living in Bombardopolis enjoyed their vacation with a daily hot nutritious meal from the OIH feeding program and learning more about Jesus through our vocational Bible School program.

Now school is about to start, all children would love to go to school but their parents cannot afford it. They will be staying home. It is only sixty children out of more than 500 kids that have the opportunity to wear a school uniform, have textbooks, notebooks, pens, and pencils and receive *free* education. The rest would love to go but they could not. They are earnestly praying God day after day that one day someone like you would sponsor them to go to school.

Every year school registration is always an uphill battle for us. Every child would like to register in our school. These children don't have sponsors yet. Their parents can not afford school tuition for them; their hearts are crushed and tore apart seeing their kids aged 5,6,7 who don't even know how to read and write their names. Therefore, your monthly, and/or quarterly, semi-annually, annually contributions really make a difference in the life of each Haiti's abandoned and destitute child.

OIH makes sure that each sponsored child is being educated by receiving *free* education, medical assistance and a hot nutritious meal every day. OIH exits to educate, train and equip destitute children around the world to empower them for a better future. Indeed, your faithfulness and pledges in sponsoring a child means a lot to God and the child that you sponsor. Praise the Lord for faithful sponsors like you!

Thus, if you are not sponsoring a child yet or if God has impressed you to help financially one of these children go to school for just \$20 a month this upcoming school year, don't hesitate to do it today, call 1-800-704-7611.

August 2006 Newsletter

Haiti needs you more than ever!

Traveling to Haiti is something that everyone especially those who sponsor a child should experience. If God is putting on your heart the desire to go on a short term mission trip to Haiti in **December 2006**, please call us at 1-800-704-7611. It's a blessing that you will not understand until you see for yourself. God will use others, but why not let him use you?

Pray for our kids in Haiti

Haiti is facing high political violence, crimes and kidnappings. Most everyone agrees that the situation is getting worse day after day especially in the capital, Port-au-Prince, Haiti. "Almost no one has been spared" says,

the Haitian Times News, "missionaries, employees of foreign embassies and Haitians both rich and poor have fallen victim to the trend that has given Haiti the highest kidnapping rate in the Americas." Hearing and seeing this political turmoil that Haiti is facing has put our December mission trip in great dilemma. Most American "Haiti Missions" have cancelled their mission trips until Haiti is experiencing peace and security. Please pray for our kids and mission directors as they live in severe stress day after day. Every time a crime happens around them, they are being scared and thinking that they could be next. **Get the latest news about Haiti at: www.Haitiantimes.com**
